

Road Safety

We Share The Road

What is the car of your dreams ?

You like the AUDI TT ?

Surely not Ferrari, a car to show off with !

A powerful Hummer H2 ?
In reality it is not so powerful !!!

HUMMER H2...It only looks tough

Lamborghini Diablo...the fastest car in the world,
it can do more than **200mph**

German cars ? It is said that they are the **safest** in the world...for example the Mercedes SLK..

Or better still a Mercedes CLK ?

The Japanese claim the most advanced **technology** in the world. A car from Honda must therefore be safe....

**Jeep, Grand
Cherokee**

Nissan.....

Opel Astra.....

or Ford.....

Its not the car that is safe.

Its you, the **DRIVER.**

Accident Facts

- 25% of all driving accidents are the result of excessive speed.
- 70% of driving accidents occur within 25 miles from home.

Awareness

A change in driving attitude is the responsibility of everyone, we all must take ownership in preventing accidents.

Expect others mistakes 16 8:37 AM
