DEDICATION

I heartily dedicate this Book to Almighty God; the Saviour and Bishop of my soul.

PREFACE

The Almighty God has taught me so many things about life while in His presence and through life experiences, inspirational teachings and messages of life from great men and women as well as leaders of our time, whose books have inspired me tremendously.

The inspirations I received from God coupled with these great men and women have personally transformed my life and assisted me to be where I am today. I am indeed, grateful to God for His mercy and goodness. I am equally grateful to these leaders whose books have been sources of inspiration to me.

The book "101 Greatness Propellers" is a compilation of the inspirations I have received over the years. I have been sending them as SMS to people as a wake up inspirational nugget every morning.

They were never intended to be put in a book until recently when there were requests from people who have received the nuggets in one way or the other, to put them in a book for the benefit of others.

It is my belief that as you meditate on these inspirational nuggets, you will attain greatness in life because you are destined to be great.

Dr. Boboye Olayemi Oyeyemi, MFR, mni, NPoM

It is my sincere prayer that the good Lord increases your wisdom and grants your heart's desires in Jesus Name.

The purpose of life is not to fight against evil & misfortune; it is to unveil magnificence. Those who do not forgive history are assigned to repeat it until compassion replaces judgement. Imagination is the beginning of creation. The Lord supports.....

Life's not about waiting for the storms to pass... it's about learning to dance in the rain. Having a vision for your life allows you to live out of hope, rather than out of your fears. Crisis is always an exit from your present, it is your passage to promotion.

The Lord leads.....

If we sincerely want to change ourselves for the better, we must start on the inside & work our way out from there. It occurs not in the shifting sands of our own particular circumstances, but in the quiet depths of our own hearts. Transformation starts with God & it starts in the silent center of a humble human heart. The Lord invites.....

Though you have never seen the wind, but you have certainly seen the results of the wind. The tree bends, the flag waves & the ship sails as a result of the wind. So shall the people you don't know before & the ones you have never met or seen before bless & favour you. It is better to trust in the Lord than to put confidence in man. The Lord increases....

You are one step closer to being in the right place at the right time to fulfill the destiny that is yours alone. There is no other person that can fulfill what you are assigned to do. Your assignment is not your decision, it is your discovery. You are the only one who can accomplish your assignment. Never stay where you have not been assigned. The Lord directs.....

Make a daily demand on your creativity. Everything starts as somebody's daydream. The wonder of imagination has the power to light it's own fire. Ability is a flame, creativity is a fire, originality sees things with a fresh vision. You have the mind of Christ inside you, there's creative idea waiting to be released. The Lord inspires....

When you understand that God is a God of seasons, you will be prepared to do the right thing at the right time. When you are outside of the right timing, you will sow hurry & reap frustration. There is simply more to life than increasing its speed. People that hurry through life get to the end of it quicker. Stay in season with God. The Lord prevents.....

No man has ever achieved worthwhile success who did not at one time or other find himself teetering on the edge of disaster. If you have tried to do something & failed you are vastly better off than if you had tried to do nothing & succeeded, learn the lesson & forget the details. God has no plans that end in failure. The Lord consolidates.....

What you can do now is the only influence you have over your future. True greatness consists of being great in little things. Don't grumble because you don't have what you want instead be thankful you don't get what you deserve, allow God to move on your behalf & grow where you are planted. The Lord reigns....

Some people stay so far in the past that the future is gone before they get there. The future frightens only those who prefer living in the past. Living in the past is such an appalling waste of energy. You can't build on it. Don't bother with plans, they motivate no one. Your vision is your potential worth. The Lord projects....

Greater opportunity & momentum is the reward of past accomplishment. If you are going to climb, you've got to grab the branches not the blossoms. Don't stop after a victory, when you do what you can, God will do what you can't. When faith is stretched, it grows. The more we do, the more we can do. God's gifts are irrevocable. The Lord Leads...

Wise people pay careful attention to the words they speak, measure your words carefully & prayerfully. The greatest test of a man's character is his tongue. Change the heart & you change the speech. Don't let the world define success for you. Only God can do that, commit your activities to Him & your plans will be achieved. The Lord honours....

God has placed within us the potential & opportunity for success. It takes just as much effort & energy for a bad life as it does for a good life. People lead aimless lives in a prison of their own making simply because they haven't decided what to do with their lives. It always cost more not to do God's will than to do it. The Lord warns....

Some people find life an empty dream because they put nothing into it. Everytime one person expresses an idea, you can find ten others who thought of it before but took no action. When praying, we must simultaneously be willing to take action. God directs in the answer to our prayer. Act now on His direction. The Lord instructs.....

As you prepare to meet the duties of everyday life, pause & consider God's promises, trust that promise & celebrate the life of abundance & eternal joy. He who waits until circumstances completely favour his undertaking will never accomplish anything. When opportunities come, it's too late to prepare. The Lord directs.....

It is possible to give away & become richer, it is also possible to hold too tightly & lose everything. The liberal man shall be rich, by watering others, he waters himself. You were created to help others. What we do for ourselves alone dies with us, what we do for others lives beyond us. The Lord lifts...

One of the most valuable decisions we can make is to not let our own lives be influenced by what's happening in other people's lives. What happens in someone else life has nothing to do with what God wants to do in yours. When you feel like complaining, bring God into the situation. The Lord increases....

Grab hold of each day from the start, most people lose an hour at the beginning of the day & spend the rest of the day trying to recapture it. The first hour of the morning is the rudder of the day. Never begin your day in neutral. Create a habit of initiative. Start your day right & never look back. A day without the Lord is a day wasted. The Lord warns....

Indecision will paralyse the flow of your faith which demands a decision before it can work. Every accomplishment, great or small, starts with a decision. Not every circumstance that is met can be changed, but no circumstance can be changed until it is met. Decision determines destiny. The Lord upholds....

There is no re-set button in life. You can't take anything back & you can't undo anything. All of your actions have consequences & the things you say & do today will have a lasting impact on the rest of your life. You have to understand that & you have to be aware of it while making your decisions. Adopt the pace of God. The Lord decides....

Everyone loves something.
We're shaped & motivated by what we love. Ignore what you are passionate about & you ignore one of the greatest potentials God has put inside you. What generates passion & zeal in you is a clue to revealing your destiny. What you love is a clue to something you contain. The Lord uplifts.....

To resist or receive is a choice. We'll see the evidence of God everywhere or nowhere by how we position ourselves. Our walk with Him begins & ends with command, the main problem is we won't let Him help us. Never give up control of your life to anything but faith. You can't see the sunrise by looking to the west. The Lord projects...

Where there is no vision, the people perish, that's not God's best for you. Dissatisfaction & discouragement result not from the absence of things but from the absence of vision. Not being a person of imagination causes your life to be less intended to be. A dream is the most exciting thing there is. The Lord guides....

The lazier a man is, the more he's going to do tomorrow. The tragedy of life is not that it ends so soon, but that we wait so long to begin it. The longer it takes to act on God's direction, the more unclear the direction will become. Be quick to obey, taking action without delay. The Lord instructs....

God has already given you what you need to begin creating your future, the troubles we bear trustfully can bring us a fresh vision of God, a new outlook on a life of peace & hope. I discovered that sorrow was not to be feared but rather endured. Hope is faith holding out its hand in the dark. The Lord restores....

There's far more opportunity than ability. Life's full of golden opportunities for doing what we're called to do. Start with what you can do; don't stop because of what you can't do. In the orchard of opportunity, it is better to pick the fruit than to wait for it to fall in your lap. Opportunity is all around you, discontent dries up the soul. The Lord sustains....

You can do everything you ought to do, begin where you are, but don't stay where you are. People can't be happy until they've learned to use what they have & not worry over what they don't have. Happiness never comes to those who fail to appreciate what they already have. Your vision is your potential worth. The Lord increases....

The most unhappy people are those who can never make a decision. An indecisive person can never be said to belong to themselves. Don't worry about not making a decision, you can't grow while letting others make decisions for you. Indecision will paralyze the flow of your faith. The Lord reveals....

Everything you say or do creates an investment somewhere, whether that investment generates a dividend or a loss depends on you. Always do your best, because what you plant now, you will harvest later. One of the biggest mistakes you can make is to believe you work for someone else, you really work for the Lord. Invest in yourself. The Lord instills.....

If you treat people as they are, they will remain as they are. If you treat them as though they were what they could be, you will help them become what they could be. There's no better exercise for the heart than reaching down & lifting someone else up. You are created for connection.

The Lord cares....

Good intentions aren't good enough. You can't test your destiny cautiously, it's the most dangerous thing in the world. Reject the safety of staying where you are for the amazement of what you can become. Unless you attempt to do something beyond what you have already done, you will never grow. Remain focused. The Lord directs.....

God has made you special for a purpose. He has an assignment for you that no one else can do as well as you can. God has given each person the measure of faith to do what He's called them to do. Every person is gifted. With God's help, you can be one of the few successes. Your life makes a difference. The Lord reveals....

It is a sign of strength to make changes when necessary, not accepting the present, creates a future. Happy is the man whom God corrects. Better to be pruned to grow than cut up to burn. When God prunes us, He's planning for growth, be open to God's change in your plans. Great ideas still need change. The Lord leads.....

To win a contest, you must deny yourselves many things that would keep you from doing your best. The best way to bring focus into your life is to never place a question mark where God has put a period. Focus empowers you to say NO to distractions & points to the purpose of your goal. Don't spread too thin. The Lord supports....

It's a great deal better to do all the things you should than to spend the rest of your life wishing you had. Don't put water in your own boat, the storm will put enough in on its own. The first key victory you must win is over yourself. Your chief competition is you. Misery is a yesterday's person trying to get along with a tomorrow God. The Lord favours....

Don't waste one of your most precious commodities-TIME.

Each minute is an irretrievable gift, an unrestorable slice of history, now is the best time to do what you're supposed to do.

Meet all problems & opportunities of your life with a decision. A great deal of talent is lost for want of a little decision. The Lord

provides.....

The more you complain, the less you'll obtain. A life of complaining is the ultimate rut. The only difference between a rut & a grave is their timing. Don't complain, the wheel that squeaked the loudest often gets replaced. If you are busy complaining about other people you won't have time to love them. Look for the best. The Lord warns....

The readiness to take risks is our grasp of faith, don't be afraid to take a big step if one is indicated, you can't cross a chasm in two small jumps. God puts no restriction on faith, faith puts no restriction on God but without faith, it is impossible to please Him. Your vision must be bigger than you. The Lord sustains.....

The seeming defeat inherent in every crisis holds the keys to an anticipated victory, believe that your crisis becomes your best opportunity. Remember, you are not under the world's system, instead of worrying, rejoice. Do not throw away your confidence, God who began a good work in you will finish it, the best use of life is love. The Lord listens.....

It is time for you to take charge of your spiritual life, one of the devil's tactics is to make people believe they have no choice in the direction of their lives. Having no voice in your own affairs is like playing a baseball game without knowing where the bases are. The greatest tragedy in life is not death but life without purpose. The Lord reflects.....

All the great things God has put inside you - visions, dreams, plans & talents are satan's targets. He's afraid of people who have faith in God's wisdom & power because they take their visions & translate them into action. Goals are set & achieved. Guard the good deposit that was entrusted to you with the help of the Holy Spirit. The Lord guides.....

We need to keep our hearts like we keep a garden, we must not put off the need for weed pulling. Our repentance must be immediate each time we see a weed of sin emerging. It is our responsibility to get out there & pull those weeds. Whoever tends your garden determines your culture, values, beliefs & behaviour. The Lord strikes....

The Lord wants to help you realize who you are & what you are graced to do. When you understand that He is the only one who really knows you, then you pursue Him with fierceness & determination. Continuous effort not strength or intelligence is the key to unlocking your potentials. Your life has the potential to fulfil your purpose. The Lord instructs....

If you imprison your potential, the life is robbed of its purpose & fulfillment. You possess an awesome treasure, ability to change your attitude & your valuable deposit of potential was given to enrich the lives of others. You owe it to the next generation to live courageously so the treasure of your potential is unleashed. The Lord strengthens.....

Great minds discuss ideas, average minds discuss events & small minds discuss people. God enters by a private door into every individual. He leads each of us by a separate path. No one can build their destiny on the success of another person. The only way to see is to keep your eyes on God. The Lord reveals....

Walking at God's pace helps establish you on the proper foundation. Nothing is permanent unless built on God's will & Word. Never remain where He has not sent you. When the door is shut & bolted, don't try to get in through the window. In the race for excellence, there is no finish line, adopt the pace of God. The Lord warns.....

The lure of the distant & the difficult is deceptive, the great opportunity is where you are.

If you wait for perfect conditions, you'll never get anything done unless you go ahead & do it before you are ready. Procrastination is the skill of keeping up with yesterday. Looks are deceiving, faith sees the way. The Lord directs....

Your persistence is proof you have not yet been defeated. Commit to the Lord whatever you do & He will establish your plans. Life holds no greater wealth than steadfast commitment. It cannot be robbed from you. Only you can lose it by your lack of will. Let go of whatever makes you stop. The Lord creates....

Integrity is the glue that holds our way of life together, we must constantly strive to keep our integrity intact. When wealth is lost, nothing is lost, when health is lost, something is lost, when character is lost, ALL is lost. If you sincerely wish to walk with your Creator follow His commandments. The Lord listens.....

An over-cautious person burns bridges of opportunity before ever coming to them. Most of the people who sit around & wait for the harvest haven't planted anything. The average person doesn't want much & usually gets less than that. One bold action is more valuable than a thousand good intentions. The Lord drives....

Envy is tremendous waste of mental energy, refrain from envy. It's the source of most unhappiness. If you are comparing yourself with others, that view is distorted. Most of us measure our success by what others haven't done, don't let others set your limits, for when they do, it's always too low. The Lord restores....

In the face of unbelief, you must stand strong when you know that God has moved in your life. Don't let the enemy or even well meaning people defeat you. They will confuse & cause you to doubt yourself & God. A man may die, nations may rise & fall, but an idea lives on. Ideas have endurance without death. The Lord lives.....

God has a plan for your life, however, that plan cannot come to pass until it is spoken. God chose to allow His only begotten Son to be born, to live, to die & to be resurrected so He could restore man to his rightful place. God saw that plan with His own eyes of faith. The releasing of your potential is not up to God but you! The Lord speaks...

God put inside every person the potential to be passionate. One person with passion makes a greater impact than the passive force of 99 who only have interest. The atmosphere of your life changes dramatically when you add enthusiasm which makes others stand up & take notice. Life is fragile. The Lord honours.....

We all live under the same sky, but we don't have the same horizon; originals always see a bigger picture. Expanding your horizons means being able to see the greater potential all around you. When you expand your horizons, your life will change, you will begin to see things around you very differently. Be yourself! The Lord guides....

We act as though comfort & luxury were the chief requirements of life, when all we need to make us really happy is something to be enthusiastic about. Don't take hold of a thing unless you want that thing to take hold of you. Wherever you are, be all there. Live to the hilt every situation you believe to be the will of God. The Lord supports....

If you have a goal in life that requires alot of energy, incurs a great deal of interest & challenges you, you will always look forward to waking up to see what the new day brings. Take the offensive, never meet trouble halfway. Your personal growth is hidden in your daily approach to life. Seize your destiny, don't let it slip away. The Lord intervenes....

Don't hurry when success depends on accuracy, those who make the worse use of their time are the first to complain of its shortness. The fastest running back is useless unless heading toward the right goal line. Timing is the vital ingredient for success, there is an appointed time for your vision. The Lord creates....

To everything there is a season & a time to every purpose under heaven, different things happen during different seasons. Your success has little to do with speed but much to do with timing & direction. Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. The Lord rewards...

If you don't know where you are going, any road will take you there. Life is daily & constantly demanding of our time, energy, talent, attention & focus. You must know what your priorities are. The absence of priority is dangerous & detrimental. Prioritizing sharpens your vision so you can focus on important things. The Lord relieves.....

Evil travel together because all of them originate in different sinful hearts of human beings. Do not let your financial uncertainty make you do something rash & foolish. Do not do something dishonest, do not go the way of the world & do not worry about yourself. Put your trust in God & ask Him what to do. The Lord sustains.....

The key to maintaining right standing is obedience, your pursuit of righteousness places you in the right positioning to receive all the rights, resources, blessings & privileges of the Kingdom. If your mind is pure, you will see God in everything & in everyone. Every human heart longs for a simple life. The Lord searches.....

Because we are frail, imperfect human beings, we are sometimes envious of others, but God's Word warns us that envy is sin. Thus, we must guard ourselves against the natural tendency to feel resentment & jealousy when other people experience good fortune. Discontent dries up the soul. The Lord guides....

Be more concerned about what the still small voice whispers than about what other people shout. A lot of people no longer hope for the best, they just hope to avoid the worst. Too many people spend their lives looking around, looking down or looking behind. God says Look up. No one can put a limit on you without your permission. The Lord inspires.....

We need to change the way we view obstacles. In the midst of trials, God wants growth & promotion for you. Trials provide an opportunity to grow not die, obstacles can temporarily detour you, but only you can stop. All obstacles reveal what you really believe & who you really are. Obstacles are part of life. The Lord strengthens.....

Commit yourself to the goal of dying empty, discover what you were born to be, then do it. Fulfil your own personal purpose for the glory of God. Don't rob the next generation of your contribution to the destiny of mankind. Time is God's gift for accomplishing your purpose. Use wisely the days God has assigned to your life. The Lord instructs....

0

Your struggle may be lasting but it is not everlasting. The devil wants you to think there's nothing more permanent than your temporary situation. It's the struggle that makes you strong because you grow through adversity not pleasure. It's not the outlook but the uplook that counts. Obstacles are a part of life. The Lord encourages.....

We don't intentionally neglect God, but we simply allow ourselves to become overwhelmed with the demands of everyday life. Without our even realizing it, we gradually drift away from the ONE we need most. God never drifts away from us, He is always present, steadfast & loving. Your life is a priceless opportunity. The Lord reveals....

Outside forces don't control your character, you do. The measure of your real character is what you would do if you knew you would never be found out. Be more concerned with your character than with your reputation because your character is what you really are while your reputation is merely what others think you are. Watch your action. The Lord supports.....

Righteousness bears abundant fruit in your life. Generosity is a character trait of the righteous & will bear the fruit in your life of an inheritance you can leave to your descendants. God never forsakes the righteous or their children, He always provides for them. God sends no one away except those who are full of themselves. The Lord controls...

Give instruction to a wise man & he will be yet wiser, teach & he will increase in learning. What means most in life is what you've done for others. The best way to encourage yourself is to try to encourage somebody else. No man was ever honoured for what he received, Honour has been the reward for what he gave. The Lord drives....

We need to stop allowing the wrong person to tend our garden, it is time to change both our thinking & our behaviour to bring them in line with who we really are. Your heart should be thumping in your chest & your blood should be racing like a car engine, knowing that God will soon bring about a great harvest in your life. The Lord inspires....

One who is afraid of doing too much always does too little, to achieve all that's possible, we must attempt the impossible. The impossible is possible! Your vision becomes your potential worth. Learn to be comfortable with great dreams. Unless you try to do something beyond what you already mastered, you will never grow. The Lord submits....

Because you are human, you may be slow to forget yesterday's disappointments, but if you sincerely seek to focus your hopes & energies on the future, then you must find ways to accept the past no matter how difficult. We set our eyes on the finish line, forgetting the past & straining towards spiritual maturity & fruitfulness. The Lord directs.....

Those who follow the crowd usually get lost in it, we know those words to be true, but often times we fail to live by them. Instead of trusting God for guidance we imitate our friends, suffer the consequences & pay a high price for our shortsightedness. Comparison is the root of all feelings of inferiority. The Lord warns.....

When we fail to meet the expectations of others or the expectations that we have for ourselves, we may be tempted to abandon hope. But God has other plans, He knows exactly how He intends to use us to accomplish our goals, our task is to remain faithful until He does. Turn your thoughts & prayers to God. The Lord elevates....

The sermon of your life in tough times ministers to people more powerfully than the most eloquent speaker. May God teach us to set our hopes on heaven, to hold firmly to the promise of eternal life, so that we can withstand the struggles & storms of this world. Your life is destined to be an example. The Lord inspires...

You were created on purpose, for a purpose with unique gifts, talents & strengths to offer the world. Don't waste any more time trying to be like someone else. It's time to bust down the barriers of unfulfilled dreams. Be yourself, discover the life you were meant to live. Believe & live it, you are what the world needs. The Lord installs...

If you desire to reap a bountiful harvest from life, you must plan for the future while entrusting the final outcome to God. You must do your part to make the future better by working dutifully and acknowledge the sovereignty of God's hands over all affairs including your own. You are valuable just because you exist. The Lord drives....

Where do we find contentment? If we don't find it in God, we will never find it anywhere else, but if we put our faith & trust in Him we will be blessed with an inner peace that is beyond human understanding. When God dwell at the center of our lives, peace & contentment will belong to us. The Lord satisfies.....

Where we cannot invent we can at least improve, a sensational new idea is sometimes just an old ides with its sleeves rolled up. if you itch for success, keep on scratching. Everybody is in favour of progress; it's the change they don't like. Great ideas still need change in order to prosper & succeed. The Lord reveals....

God is a planner, a strategist, perfectly organized, has a flow & pace. God is more like a marathon runner than a sprinter. He has our whole lives in mind, not just tomorrow. God is never late, never try to hurry Him. Urgent matters are seldom urgent, pressure usually accompany us when we are out of God's pace. The Lord reflects....

Many times we act or fail to act, not because of will as is so commonly believed but because of imagination, your dreams are an indicator of your potential greatness. Our challenge is to consider the future & act before it occurs. No man that does not see visions will ever realize any high hope or enterprise. The Lord guides....

Firmness of purpose is one of the most necessary ingredients of character & one of the best instruments of success. Without focus, creativity wastes its efforts in a maze of inconsistencies.

Being disciples of Christ requires focus as it changes everything. The Lord speaks....

You are certain to get the worst of the bargain when you exchange ideas with the wrong person, don't follow anyone who's not going anywhere. Be careful where you stop to inquire for directions along the road of your life. Wise is the person who fortifies life with the right friendships. God cares for people through people. The Lord inspires.....

Not all obstacles are bad, in fact, an opportunity's favorite disguise is an obstacle.

Conflict is simply meeting an obstacle on the road to your answer, the fight is good, it's proof you haven't quit. We are hunted down, but God never abandons us, we get knocked down but we get up & keep going. The Lord protects....

Every mediocre person has good intentions. Tolerating mediocrity in others makes you more mediocre. You can't make a place for yourself in the sun if you keep taking refuge under the family tree. People who never do any more than they get paid for, never get paid for any more than they do. Do more!. The Lord fortifies....

Success consists of getting up just one more time than you fell down. You don't drown by falling in the water, you drown by staying there. A man who refuses to admit his mistakes can never be successful, but if he confesses & forsakes them, he gets another chance. The best way to go on is to learn the lesson & forget the details. The Lord sustains....

A man's pride shall bring him low, but honour shall uphold the humble in spirit, pride will impede prosperity. Wisdom is better than strength, nevertheless the poor man's wisdom is despised & his words are not heard. Humble people impress God as His banner of love is over them. Serve God with a loyal heart as you are important to Him. The Lord drives.....

Words without actions are the assassins of dreams, the smallest good deed is better than the greatest intention. History is made whenever you take the right action which is the fruit of proper knowledge. Getting an idea should be like sitting on a tact. Nothing preaches better than an ant, even though it says nothing. The Lord creates.....

Make yourself indispensable to somebody. It's easy to blame others for your failures but do you credit others with your successes? If you believe in nothing but yourself, you live in a very small world. Behind a capable person there are always other capable people as no one person alone can match the cooperative effort of the right team. The Lord speaks

Adopt the pace of God, His secret is patience, there is no time lost in waiting if you're waiting on the Lord & He's worth your time. The road to success runs uphill, so don't expect to break any speed records. All great achievements require time. Happiness is a direction not a destination, expand your horizons. The Lord reflects....

Successful people understand that no one makes it to the top in a single bound. What sets them apart is their willingness to keep putting one right step in front of the other, no matter how rough the terrain. If you continue to do what's right, what's wrong & who's wrong will eventually leave your life. Focus changes everything. The Lord guides...

Don't let what you cannot do keep you from doing what you can do, prolonged idleness paralyzes initiative. Don't wait for extraordinary circumstances to do good, make use of ordinary situations. We don't need more strength, ability or greater opportunity. What we need is to use what we have, where we are. The Lord ignites.....

The focused straight & narrow way has the lowest accident rate. It's important that people know what you stand for; it's equally important that they know what you won't stand for. We can't do everything we want to do, but we can do everything God wants us to do. You are valuable just because you exist. The Lord reveals....

The primary reason people fail is broken focus. Few things are impossible for one who is diligent & focused. God's first choice for us cannot be disorder, lack of focus or wasting of funds or resources. Whatever you focus your attention upon, you give strength & momentum to. Focus is the secret of strength. The Lord inspires....

God is a God of timing & direction, He wants us to know what to do & when to do it. There's never a time to do a wrong thing, if you take too long in deciding what to do with your life, you will find you lived it. Timing is the vital ingredient for success in order to give dreams a chance. Ask God for His timing & direction. The Lord leads....

There may be many reasons for failure, but there is not a single excuse, never let a challenge become your alibi. You have a choice, you can let the obstacle be an alibi or you can take it as an opportunity. No alibi will ever serve the purpose of God. Don't make excuses, make progress. The Lord sustains..

Joy shared is joy doubled. You are created to be a part of the solution. Be an answer, get in the way if someone you know is on their way down.

Walk in when others are walking out, there are no unimportant jobs & acts of kindness. Be nice, you never know the good it will do or the bad it will prevent. The Lord restores....

The best time for you to hold your tongue is the time you feel you must say something or bust, not even the fastest car can catch a word spoken in anger. You will never be hurt by anything you didn't say. Silence is the ultimate weapon of power, your words are a reflection of where you are going. Watch your words.

The Lord instructs...

Never give up on what you know you really should do. A person with big dreams is more powerful than one with all the facts. You have no right to anything you have not pursued, for the proof of desire is in the pursuit. The destiny of the diligent is to stand in the company of leaders. God won't give up on you, don't give up on God. The Lord warns....
