DEDICATION

I heartily dedicate this Book to Almighty God; the
Saviour and Bishop of my soul.

PREFACE

The Almighty God has taught me so many things about life while in His presence and through life experiences, inspirational teachings and messages of life from great men and women as well as leaders of our time, whose books have inspired me tremendously.

The inspirations I received from God coupled with these great men and women have personally transformed my life and assisted me to be where I am today. I am indeed, grateful to God for His mercy and goodness. I am equally grateful to these leaders whose books have been sources of inspiration to me.

The book "101 Greatness Propellers" is a compilation of the inspirations I have received over the years. I have been sending them as SMS to people as a wake up inspirational nugget every morning.

They were never intended to be put in a book until recently when there were requests from people who have received the nuggets in one way or the other, to put them in a book for the benefit of others.

It is my belief that as you meditate on these inspirational nuggets, you will attain greatness in life because you are destined to be great.

Dr. Boboye Olayemi Oyeyemi, MFR, mni, NPoM

GREATNESS PROPELLERS

Life is a series of choices, each day, we make countless decisions that can bring us closer to God or not. When we live according to the principles contained in His Word, we embark upon a journey of spiritual maturity that results in life abundant & eternal. Your life is a priceless opportunity. The Lord leads....

101

GREATNESS PROPELLERS

You can't consistently perform in a manner inconsistent with the way you see yourself. What you think is your greatest weakness can become a wonderful strength, the past should be a spring board not a hammock. Your future contains more happiness than any past you can remember. God doesn't consult your past to decide your future. The Lord directs..

101

GREATNESS PROPELLERS

*Commit yourself to excellence from the start, no legacy is as rich as excellence. The quality of your life will be in direct proportion to your commitment to excellence regardless of what you choose to do. Watch your actions, they become habits. Greater opportunity & momentum is the reward of past accomplishment .
The Lord reveals.....*

101

GREATNESS PROPELLERS

The most bankrupt person in the world is one who has lost joy, every great & commanding movement incorporates enthusiasm. The unwise person seeks happiness in the future, the wise person grows it today. Your world looks brighter from behind a smile. God has your whole life in mind when He directs you. The Lord inspires.....

101

GREATNESS PROPELLERS

The reason some people don't go very far in life is because they sidestep opportunity & shake hands with procrastination which is the grave that opportunity is buried. Get aggressive & go after opportunities otherwise, they may not find you. God's best gifts to us are not things but opportunities to invest in yourself. Look upward. The Lord directs....

101

GREATNESS PROPELLERS

While originals are always hard to find, they are easy to recognise. God leads every soul in an individual way. There are no precedents. You are the first that ever was! There is not enough darkness in the whole world to put out the light He put in you. Don't copy the behaviours of this world. The Lord instructs....

101

GREATNESS PROPELLERS

We typically see things not as they are but as we are. Too often our minds are locked on one track. We're looking for red so we overlook blue, we're thinking about tomorrow, but God is saying now, we're looking everywhere when the answer is under our nose. The main problem is we won't let God help us. To resist or receive is a choice. The Lord reflects.....

101

GREATNESS PROPELLERS

It doesn't take a majority to make a change, it takes a few determined originals & a right cause. You are the only one in all creation who has your set of abilities & in all rarity, there is a great value. God loves you the way you are & wants you to use what He has put inside you, stand out & don't blend in. Do you exist or do you live? The Lord inspires....

101

GREATNESS PROPELLERS

We become happy, spiritually prosperous people not because we receive what we want, but because we appreciate what we have. Let the plan God has for your life dominate your day or something else will. If you won't fill your heart with gratitude, the devil will fill it with something else. It is only with gratitude that life becomes rich. The Lord guides....

101

GREATNESS PROPELLERS

Ships don't sink because of water around them, ships sink because of the water that gets in them. Don't let what's happening around you get inside you & weigh you down. Simplicity is the soul of efficiency. Instant obedience is the only kind of obedience there is; delayed obedience is disobedience. The Lord favours....

101

GREATNESS PROPELLERS

*It's time to accept the
unchangeable past, to embrace
the priceless present & to have
faith in the promise of
tomorrow. It's time to trust
God completely & to reclaim
peace. The same who created
the universe stands ready &
willing to comfort you, to
restore your strength. Learn to
trust God. The Lord restores.....*

101

GREATNESS PROPELLERS

Don't wait until everything is just right, it will never be perfect. There will always be challenges, obstacles & less than perfect conditions. With each step you take, you will grow stronger & more skilled, more self confident & more successful. Fulfill your own personal purpose for the glory of God. The Lord speaks.....

101

GREATNESS PROPELLERS

Stop worrying about what other people are thinking. It's not what you think they are thinking. Doing this leads to doubts, then to fear, then to worry. Most people believe their doubts & doubts their beliefs, instead, feed your faith & watch your doubts starve to death. The Lord is the strength of your life. The Lord relieves....

101

GREATNESS PROPELLERS

The resources we need are supposed to come to us in the natural course of living our lives according to God's design & intention, not meant to become the objects of our faith but the by-products of our faith. A man's heart plans his way but the Lord directs his steps. Be open to God's change in your plans. The Lord upholds

101

GREATNESS PROPELLERS

When we pause to consider how much work needs to be done, we realize that self discipline is not simply a proven way to get ahead, it's also an integral part of God's plan for our lives. We must adopt a disciplined approach to life otherwise, our talents are wasted & resources are squandered. The Lord warns...

101

GREATNESS PROPELLERS

When you don't forgive you are ignoring how that impacts your destiny, how much more grievous are the consequences of unforgiveness than the causes of it! Hate is a prolonged form of suicide, there is nothing more pathetic than a person who has harbored a grudge for many years. Forgiveness heals. The Lord directs....

101

GREATNESS PROPELLERS

Don't look for the answer to your problem, look for many answers, then choose the best one. The person who succeeds is the one who does more than necessary & continues doing it. The difference between ordinary & extraordinary is that little extra. Once you've found a better way, make that way better. The Lord guides.....

101

GREATNESS PROPELLERS

Life is constantly changing, our circumstances, opportunities & responsibilities are changing.

When we reach the inevitable crossroad of life, we may feel the need to jumpstart our lives or the need to start over from scratch.

Transformation starts with God & in the silent center of a humble human heart. The Lord decides....

101

GREATNESS PROPELLERS

*View others in the same light,
each person knows something
you don't, learn from them. We're
all created for achievement &
given the seeds for greatness but
each in our own way. Doing what
God wants you to do & being
where he wants you to be is
greatness. There are no
unimportant people. Your life
makes a difference. The Lord
reflects.....*

101

GREATNESS PROPELLERS

You have only to decide upon what it is you want & then stay with it, never deviating from your course no matter how long it takes or how rough the road until you have accomplished it. The secret of success is to start from scratch & keep on scratching. Persistence may be bitter, but its fruit is sweet. The Lord inclines...

101

GREATNESS PROPELLERS

The number of people who don't take advantage of their talents is more than made up for by the number who take full advantage of the talents they have. Don't try to live up to anyone's expectations but God's. A copy adapts to the world but an original tries to make the world adapt. Don't copy the behaviours of this world. The Lord sustains

101

GREATNESS PROPELLERS

*He that is good will infallible
become better & he that is bad
will as certainly become worse,
for vice, virtue & time are three
things that never stand still.
Excellence can be attained if you
care more than others think is
wise & dream more than others
think is practical. Stay in season
with God. The Lord reflects....*

101

GREATNESS PROPELLERS

Envy is a tremendous waste of mental energy, refrain from envy, it's the source of most unhappiness. If you're comparing yourself with others, that view is distorted. Most of us measure our success by what others haven't done. Don't let others set your limits for when they do it's always too low. Don't be a fraction, be a whole & look for the best. The Lord supports....

101

GREATNESS PROPELLERS

Nothing is permanent except God & His promises, the leaves may fall from the trees & the weather may change but God never changes. The resources we need come to us in the natural course of living our lives according to God's design & intention, timing is the vital ingredient for success. The Lord leads....

101

GREATNESS PROPELLERS

Give of yourself to others & watch criticism, depression & unhappiness leave your life.

Critics are usually the most inactive of people. The dead sea is dead because it continually receives & never gives. Just one act of yours may be all it takes to turn the tide of another person's life. Be on the lookout for ways to be an answer. The Lord guides...

101

GREATNESS PROPELLERS

Those who are best at helping others are always able to see the bright side of other people's troubles, practising the golden rule is not a sacrifice, it's an investment. The person who's always finding fault seldom finds anything else. No one can put a limit on you without your permission, to resist or receive is a choice. The Lord reveals.....

101

GREATNESS PROPELLERS

God is a planner, strategist, He is perfectly organised, has a definite flow & pace. God is more like a marathon than a sprinter. He has our whole lives in mind not just tomorrow. God is never late, never hurry God. Urgent matters are seldom urgent. Pressure usually accompanies us when we are out of God's pace. The Lord controls....

101

GREATNESS PROPELLERS

Don't just look for miracles, you are a miracle, don't be awe-struck by other people & try to copy them. Nobody can be you as efficiently as you can. When you use the gifts you have, people call you gifted. One of the hardest things about climbing the ladder of success is getting through' the crowd of copies at the bottom. The Lord inspires....

101

GREATNESS PROPELLERS

Be a little kinder than necessary to ALL, and as you consider all the things that Christ has done in your life, Honour Him with your words & your deeds. He expects no less & deserves no less. Only the courteous can love, but it is love that makes them courteous.

Invest in yourself. The Lord desires....

101

GREATNESS PROPELLERS

*Every experience God gives us,
every person He brings into our
lives is the perfect preparation for
the future that only Him can see.
Even when the World seems dark,
the future is bright for those who
look to Him. Take courage, we
walk in the wilderness today and
in the promised land tomorrow.
The world needs your help. The
Lord leads....*

101

GREATNESS PROPELLERS

We live in an age when non-essential things seem to be our only essentials. When you don't have focus, life becomes painful and confusing. When you don't have a good reason for doing a thing, you have one good reason for letting it alone. The primary reason people fail is broken focus. The Lord discerns.....

101

GREATNESS PROPELLERS

*Life's disappointments are
opportunity's hidden
appointments. When God is going
to do something wonderful, He
begins with difficulty and
something wonderful, begins with
impossibility. It's more valuable to
find a situation that re-distributes
opportunity than one that re-
distributes wealth. The Lord
provides...*

101

GREATNESS PROPELLERS

The most unhappy people are those who can never make a decision. An indecisive person can never be said to belong to themselves. If you wait long enough someone else will make it for you, you cannot grow while letting others make decisions for you. Indecisive people are like a blind man looking in a dark room for a black cat that isn't there. The Lord guides...

101

GREATNESS PROPELLERS

*The test of a person lies in action,
no one ever stumbled onto
something big while sitting down.
Too many people carefully avoid
discovering the secret of success
because deep down they suspect
the secret may be hard work. One
action is more valuable than a
thousand good intentions. Act on
God's direction now. The Lord
revives....*

101

GREATNESS PROPELLERS

Mere change is not growth, growth is the synthesis of change & continuity, where there is no continuity there is no growth. The secret of contentment in the midst of change is found in having roots in the change-less Christ. With God, it isn't who you were that matters, it's who you are becoming. The Lord increases.....

101

GREATNESS PROPELLERS

You should be viewed not as empty bottles to be filled, but as candles to be lit. You were built for creativity, your eyes look for opportunity, ears listen for direction, mind requires a challenge, heart longs for God's way & heart has eyes that the brain knows nothing of. Make a daily demand on your creativity. The Lord reminds.....

101

GREATNESS PROPELLERS

*Great minds & souls never settle
for great work. All individuals
throughout history who have left
their footprints in the sand of
destiny were driven by a passion
greater than the desire for
personal comfort. God takes
those who are fearful & don't
believe in themselves to be great.
Remain focussed! The Lord
creates....*

101

GREATNESS PROPELLERS

There's always a way and there's always a better way. When you've found something, look again, school is never out! The more you truly desire something, the more you try to find a better way. The deeper we go in God, the deeper He goes in us. Once you've found a better way, make that way better. The Lord projects.....

101

GREATNESS PROPELLERS

We fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal. All I have seen teaches me to trust the Creator for all I have not seen. Only he who believes is obedient and only he who is obedient believes. Let God dominate your day. The Lord listens.....

101

GREATNESS PROPELLERS

*Make every effort to add to your
faith goodness; and to goodness,
knowledge; and to knowledge, self
control; and to self control,
perseverance; and to
perseverance, godliness; and to
godliness, brotherly kindness; and
to brotherly kindness, love. God
always gives His best to those
who leave the choice with Him.
The Lord inspires....*

101

GREATNESS PROPELLERS

Every tomorrow has two handles, we can take hold of it with the handle of anxiety or with the handle of faith which is the highest passion in a human being.

Many in every generation may not come that far, but none comes further. Take delight in the LORD and He will give you the desires of your heart. You are created to be an answer. The Lord supports....

101

GREATNESS PROPELLERS

*When you experience tough times,
a positive attitude makes a big
difference in the way you lead
your team and tackle your
problems. The sermon of your life
in tough times ministers to people
more powerfully than most
eloquent speaker. God allows us
to experience the low points in
order to teach us lessons The
Lord instills.....*

101

GREATNESS PROPELLERS

There comes a time when we simply have to face the challenges in our lives and stop backing down. With each new experience of letting God be in control, we gain courage and reinforcement for daring to do it again. Ask God for the courage to step beyond the boundaries of your doubts. The Lord reveals.....

101

GREATNESS PROPELLERS

You must never allow your human weakness to disqualify you for what God has planned for you, your failures do not prove that you are wicked; they simply prove that you are human, it's important to remember that you're human being who is filled with God. Nothing is more tragic than a life without purpose. The Lord reflects.....

101

GREATNESS PROPELLERS

Genuine success has little to do with fame or fortune; it has everything to do with God's gift of love and His promise of salvation. There's not much you can't achieve or endure if you know God is walking by your side. Just remember, attitude is the only difference between success and failure. Don't let the world define success for you. The Lord guides....

101

GREATNESS PROPELLERS

Greater opportunities and joy come to those who make the most of small opportunities. Many people think opportunity means a chance to get money without earning it. Life is full of golden opportunities for doing what we're called to do. Start with what you can do. Expand your horizons. The Lord creates.....

101

GREATNESS PROPELLERS

No life can surpass that of a man who quietly continues to serve God in the place where providence has placed him. If doing a good act in public will excite others to do more good then let your Light shine to all, miss no opportunity to do good. The best use of life is love, the best time to love is now. The Lord cares.....

101

GREATNESS PROPELLERS

Many people are so filled with fear they essentially go through life running from things that are not after them. Fear of the future is a waste of the present. Fear not tomorrow, God is already there.

Never be afraid to trust an unknown future to a known God.

Don't be afraid to be you. The Lord instructs.....

101

GREATNESS PROPELLERS

The most disappointed people in the world are those who get just what is coming to them and no more. There are lots of ways to become a failure, but never taking a chance is the most successful. Some things have to be believed to be seen. Attempt something so fantastic that unless God is in it it's destined for failure. The Lord drives....

101

GREATNESS PROPELLERS

Spend time less worrying about who's right and take charge of deciding what's right in your life. Your failures may be planned in hell, but your victory is planned by heaven. When someone wants to do wrong it is never God who is tempting him, for He never wants to do wrong and never tempts anyone else to do it. The Lord cautions.....

101

GREATNESS PROPELLERS

*Small things affect small minds.
Some people are confident they
could move mountains if only
someone else would clear the
rocks out of their way. When God
gets ready to bless you, He doesn't
send complainers into your life,
He sends those full of faith, power
and love. Focus changes
everything. The Lord cares.....*

101

GREATNESS PROPELLERS

There are blessings coming to you or past you everyday, never be so stuck that you can't afford to pay attention. Availability is the greatest ability you have. When you are facing God, your back is turned away from the devil. Never give up control of your life to anything but faith. Position yourself towards God. The Lord warns.....

101

GREATNESS PROPELLERS

The tongue can be both helpful and hurtful, an encouraging word to someone can lift them up and help them make it. A destructive word to someone can be what it takes to put them down and stop them. Words are seeds that always bring harvest and have consequences. Watch your words. The Lord reflects.....

101

GREATNESS PROPELLERS

In a world filled with road blocks and stumbling blocks, we need strength, courage and perseverance which is more than endurance. If things are tough, remember that every flower that ever bloomed had to go through a whole lot of dirt to get there. God has your whole life in mind when He directs you. The Lord strikes.....

101

GREATNESS PROPELLERS

Procrastination is the grave in which opportunities is buried. Anybody who brags about what he's going to do tomorrow probably did the same thing yesterday. Killing time is not murder, it's suicide. Two things rob people of their peace of mind, work unfinished and work not yet begun. The Lord guides.....

101

GREATNESS PROPELLERS

We should devote ourselves wholeheartedly to whatever we do in a given moment. This conscious objective brings the person harmony and radiance of inner peace. Selfless love is giving without expecting or demanding something. The one who gives love will reap love. The Lord honours.....

101

GREATNESS PROPELLERS

There is only one corner of the universe you can be certain of improving, and that's your own self. Keep your eyes on the stars, and your feet on the ground, change your thoughts and you change your world. What we think, we become. A day without the Lord is a day wasted. The Lord sustains.....

101

GREATNESS PROPELLERS

*Friendship improves hapiness,
and abates misery, by doubling
our joys, and dividing our grief.
Friendship bring intimacy and
cordial relation between two
friends. Accord your friend all
neccessary assistance in order to
establish a joyful friendship. The
Lord guides*

101

GREATNESS PROPELLERS

Let us become aware, it is not the present situation or the current problem that worry us, but the perception we have on the situation. A correct alignment of inner life with God ensures security, relaxation, brings deep concentration and inner peace. Let go of whatever makes you stop. The Lord protects.....

101

GREATNESS PROPELLERS

Let us learn to question and begin with ourselves, practice praying and entrusting ourselves to God again. He knows the way that we have to take. People who learn from their own behaviour, that is, who critically question their will, ultimately find their way to an in-depth analysis and recognize that the life is in all things. The Lord inspires...

101

GREATNESS PROPELLERS

Through a consciously positive way of thinking that we place in God's will, we can give our state of health, indeed, our whole life, a positive turn. Let us become aware, it is not the present situation or the current problem that worry us but the perception we have on the situation. Never give up control of your life to anything but faith. The Lord redeems.....

101

GREATNESS PROPELLERS

Each day is given to each person so that he may recognise and explore the content of his life, which the day reveals in order to find the good, to build on and to develop it. With the heart, we see and feel more, if we open our hearts, we will learn to grasp and understand. One cannot help being old but one can resist being aged. The Lord honours.....

101

GREATNESS PROPELLERS

*The Lord's searchlight
penetrates the human spirit,
exposing every hidden motive.
God loathes the sacrifice of an
evil person, especially when it is
brought with ulterior motives.
Other people see your deeds,
God sees your motives. Leave
everyone better than you found
them. The Lord preserves.....*

101

GREATNESS PROPELLERS

Look straight ahead, and fix your eyes on what lies before you.

Mark out a straight path for your feet, then stick to the path and stay safe. Don't get side tracked, keep your feet from following evil.

If we open a quarrel between the past and the present, we shall find that we have lost the future. The Lord directs....

101

GREATNESS PROPELLERS

It's a new day and a chance to try again. Try to replace critical thoughts with positive ones, and you'll be amazed what a difference it will make in your day, your spirit, and your life. People who live in their own little world never get to enjoy the worlds of others. Faith in God is the best insurance. The Lord supports.....

101

GREATNESS PROPELLERS

The winners in life's game are not those who have never tasted failure, but rather those who have failed again and again, but who never gave up. Winners benefit from each failure and see it as a step to victory. If you've experienced the dark, you can better appreciate the light. Let God dominate your day. The Lord guides.....

101

GREATNESS PROPELLERS

We are given a fresh start not only at the beginning of the month, but every morning when we wake up. We have the chance to start anew and make things right. Think positive, encouraging, uplifting thoughts and the negative will soon disappear. True happiness is found in giving. Position yourself toward God. The Lord renews.....

101

GREATNESS PROPELLERS

Though God is invisible, He is there. He will never leave you. He is always waiting with open arms, a Helper and Provider ready to assist in times of trouble. Some of our principal regrets in life are the opportunities we passed up and the chances we didn't take. Think positive, it's good for your health. Your vision is your potential worth. The Lord provides....

101

GREATNESS PROPELLERS

*If things ever become too much
for you or too hard for you to
bear, just ask God to help you.
He'll place His arms under your
burdens, lighten your load, and
lift your spirit. You may not be
able to choose your lot in life,
but you can choose how to
handle your lot. Truth is always
the best policy, Honesty pays.
The Lord intervenes.....*

101

GREATNESS PROPELLERS

*Kindness and courtesy can make
an average person superior,
indifference and lack of concern
can make a superior person
average. The life you live will
soon be past, but the things you
do for love will last. Be wise,
prioritize. Remember and serve
God now! The Lord directs....*

101

GREATNESS PROPELLERS

Acquiring knowledge is not an end itself, but only a means to an end. Knowledge without purpose can be a destructive tool. If you believe even in that which you cannot see, your reward will be greater than what you can imagine. You'll never know what you can do until you try to do it. Watch your words. The Lord reflects....

101

GREATNESS PROPELLERS

Don't get so involved in the race of life that you forget that the course is only a means to an end, rather than the end itself. Give to those in need, one day you may benefit from the kindness of someone who does likewise. It's a new day and a chance to try again. The Lord drives.....

101

GREATNESS PROPELLERS

We need to learn to control our thinking! Then we will also plan our work well and it will not control us. The one who plans well rarely falls into a hectic pace. As much peace and harmony as we give to others, so much and more comes back into our heart and soul. Focus changes everything. The Lord consolidates.....

101

GREATNESS PROPELLERS

*If you ever think that you're
all alone, that no one notices
or no one cares, remember
this: God sees you, He
understands, and can make
things better. Though God's
ways of operating may perplex
us at times, if we trust Him, in
due time we will understand.
Passion is the spark for your
fuse. The Lord restores.....*

101

GREATNESS PROPELLERS

Try to replace critical thoughts with positive ones, and you'll be amazed what a difference it will make in your day, your spirit, and your life. To bring the best in those around you, give them encouragement and show them loving appreciation.

Find someone to help. The Lord sustains....

101

GREATNESS PROPELLERS

Hope is the feeling that you will succeed tomorrow in what you failed at today. He who has health has hope, and he who has hope has everything. Anyone can overcome depression, the first step is to simply realize that there is hope. A life without hope is a life without meaning. The Lord instructs.....

101

GREATNESS PROPELLERS

*I used to think that God's gift
were on shelves, one above the
other and the taller we grew, the
more easily we could reach them.
I now find that God's gifts are on
shelves one beneath the other and
that it is not a question of growing
taller but of stooping lower.
Humility is remaining teachable.
The Lord perfects.....*

101

GREATNESS PROPELLERS

*If you want a share of the fame,
you've got to be willing to take a
share of the blame. Great souls
are often those who have
undergone great sorrows but
have refused to give up. People
who live in their own little world
never get to enjoy the worlds of
others. Stay in season with God.
The Lord reveals....*

101

GREATNESS PROPELLERS

Those who control their anger have great understanding, those with a hasty temper will make mistakes. It is better to be patient than powerful, it is better to have self control than to conquer a city. Control your thoughts, they may break into words at any time. There is no substitute for conscience. The Lord guides.....

GREATNESS PROPELLERS

Performance does not mean haste, but conscious activity. Thus we become more vital, more joyful and concentrated. This brings us inner and outer calm. Wherever we are, in whatever life situation the following words want to go with us on our path through life: If we entrust ourselves to God we are in the best hands! The Lord leads.....

GREATNESS PROPELLERS

No one ever attains very eminent success by simply doing what is required of him; it is the amount of excellence of what is over and above the required that determines the greatness of ultimate distinction. Human excellence means nothing unless with the consent of God. The Lord warns.....

GREATNESS PROPELLERS

We should be careful to get out of an experience only the wisdom that is in it, and stop there; lest we be like the cat that sits down on a hot stove-lid, she will never sit down on a hot stove lid again. One thorn of experience is worth a whole wilderness of warning. Change is good! The Lord instructs.....

101

GREATNESS PROPELLERS

Be glad for all God is planning for you, be patient in trouble and always be prayerful. If you are patient in one amount of anger, you will escape a hundred days of sorrow. We must learn that, like farmers we can't sow and reap the same day. Patience is a virtue that carries a lot of weight . Adopt the pace of God. The Lord sustains.....

GREATNESS PROPELLERS

*Wisdom is a tree of life to those
who embrace her, happy are
those who hold her tightly.*

*Happiness is the delicate balance
of what one is and what one has,
not a station to arrive at but a
manner of traveling. Make happy
those who are near and those
who are far will come. Leave
everyone better than you found
them. The Lord cares.....*

GREATNESS PROPELLERS

Do not fret because of evil doers, don't envy the wicked, for the evil have no future, their light will be snuffed out. Always continue to fear the Lord for surely you have a future ahead of you, your hope will not be disappointed. There is nothing like a dream to create the future. The Lord inspires.....

101

GREATNESS PROPELLERS

Don't get so involved in the race of life that you forget that the course is only a means to an end, rather than the end itself. Forget the past, it's dead and gone. Live for the future, it's alive and full of potential. The life you live will soon be past, but the things you do for love will last. The Lord creates.....

101

GREATNESS PROPELLERS

The Lord hates those who don't keep their word, but he delights in those who do. It is dangerous to make a rash promise to God before counting the cost. A person who doesn't give a promised gift is like clouds and wind that don't bring rain. When you break your word, you break something that cannot be mended. The Lord restores.....

GREATNESS PROPELLERS

Somewhere along the line of our development we discover what we really are, and then we make our decision for which we are responsible. Make that decision primarily for yourself because you can never live anyone else's life.

Choose today whom you will serve. The Lord directs.....

101

GREATNESS PROPELLERS

*If you wait for perfect conditions,
you will never get anything done.*

*Be sure to stay busy and plant
variety of crops, for you never
know which will grow, perhaps
they all will. The most agreeable
thing in life is worthy
accomplishment. No matter your
lot in life, build something on it.
The Lord directs.....*

GREATNESS PROPELLERS

It is pleasant to see dreams come true, but fools will not turn from evil to attain them. The godly give good advice to their friends, the wicked lead them astray. The most significant change in a person's life is a change of attitude. Right attitudes produce right actions. The Lord uplifts.....

GREATNESS PROPELLERS

The Lord's searchlight penetrates the human spirit, exposing every hidden motive. There is only way to achieve happiness on this terrestrial ball, and that is to have a clear conscience or none at all which is God's presence in man.

Don't be afraid to be you. The Lord guides.....

101

GREATNESS PROPELLERS

Acquiring knowledge is not an end itself, but only a means to an end. Knowledge without purposeful direction of God can be a destructive tool. Before you discover, you must explore, unlock your potential by tapping into Heaven's resources. Ask God for timing and direction. The Lord instructs.....

101

GREATNESS PROPELLERS

We stand at the threshold of a new year. May God help us to be kind, fair and wise in all our affairs. Keeping books with your soul at the close of the year is good preparation for starting the next year. Let us look behind us with understanding, before us with faith and around us with love. The Lord lifts.....

101

GREATNESS PROPELLERS

*The new year is set before us like
an unwritten volume all its pages
blank. Let us write upon each
day's page things that at the end
of the year we will look upon with
rejoicing rather than regret.*

*There's light at the end of every
tunnel, the sun returns after every
storm. The Lord guides.....*

101

GREATNESS PROPELLERS

*We can make our plans, but the
Lord determines our steps.
Commit your work to the Lord,
and then your plans will succeed.
The Lord has made everything for
His own purpose. Keep your
ideals high enough to inspire you
and low enough to encourage
you. Decision determines destiny.
The Lord instructs.....*

101

GREATNESS PROPELLERS

God will teach you wisdom's ways and lead you in straight paths. If you live a life guided by wisdom, you won't limp or stumble as you run. Get all the advice and instruction you can, and be wise the rest of your life. A pint of example is worth a gallon of advice. The Lord directs....

101

GREATNESS PROPELLERS

When one door closes, another opens, but we often look so long and regretfully upon the close door that we do not see the one which has opened for us. Be grateful for the doors of opportunity and for the friends who oil the hinges. He who kills time buries opportunities. The Lord warns....

101

GREATNESS PROPELLERS

*Choose a good reputation over
great riches, for being held in
high esteem is better than having
silver or gold. True humility and
fear of the Lord lead to riches,
Honour and long life. To be
content with what we possess is
the greatest and most secure of
riches. Don't build a case against
yourself. The Lord cares.....*

101

GREATNESS PROPELLERS

The quality of a person's life is in direct proportion to that person's commitment to excellence, regardless of the chosen field of endeavor. Human excellence means nothing unless it works with the consent of God. There is no excellence uncoupled with difficulties. Your words are a reflection. The Lord leads.....

101

GREATNESS PROPELLERS

Fire tests the purity of silver and gold, but a person is tested by being praised. Few things are more dangerous to a person's integrity than having nothing to do and plenty of time in which to do it. The integrity of men is to be measured by their conduct not by their professions. The Lord inspires.....

GREATNESS PROPELLERS

To dream anything that you want to dream, that is the beauty of the human mind. To do anything you want to do, that is the strength of the human will. To trust yourself to test your limits, that is the courage to succeed. We create our future by what we dream today.

The Lord directs.....
