DEDICATION

**I heartily dedicate this Book to Almighty God
the saviour and bishop of my soul**

PREFACE

My crave for peaceful ambience, harmonious relationships and value addition as one climbs the ladder of life-fulfilment within the guidance of God, propelled my venture into the publication of Triggers of Inspiration. The Book is intended to renew hope and discourage taking decisions that most times are life-threatening or result in the doldrums.

Triggers of Inspiration contains one hundred and one quotes which are rich in stabilizing emotional turbulence, giving hope in hopeless situations and assuring the depressed of better things in life while boosting performance of high-fliers. I am convinced that as you apply and meditate on these quotes, the change you desire in life will continue to come your way for better living.

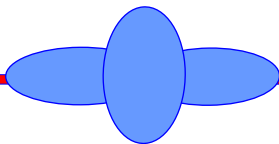

ACKNOWLEDGEMENTS

I am grateful to God for the enablement and the wisdom to encourage humanity in the production of Triggers of Inspiration, Volume 3.

My indebtedness goes to various authors of books and quotations used, especially those harvested from Facebook, FaithSocial, EnchantingMinds, QuotesVitamin, Epiclife and the ultimate, the Holy Bible amongst others.

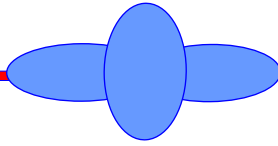

To all who have made it possible to have Triggers of Inspiration on the Shelf for the good of man, I say thank you.

TRIGGERS OF INSPIRATION

Just because you fail once, doesn't mean you're failing in everything. Keep trying, hold on and trust God and yourself because if you don't, then who will? Life is only limited by our prejudices, destroy them and you cease to be at the mercy of yourself. God is a God of timing and directions. The Lord encourages...

TRIGGERS OF INSPIRATION

Nothing contributes so much to tranquilize the mind as a steady purpose, a point on which the soul may fix its intellectual eye. You cannot change your destination overnight. It is your destiny that determines the happenings in your life, take risk or lose the chance. The Lord fulfils...

TRIGGERS OF INSPIRATION

The biggest risk is not taking a risk. In a world that's changing really quickly, the only strategy that is guaranteed to fail is not taking risks and at the end of the day, you must go forward with hope and not backward by fear and division. Never stop challenging yourself, the day you do, you're falling behind. The Lord increases...

TRIGGERS OF INSPIRATION

You cannot connect the dots looking forward, you can only connect them looking backwards, so you have to trust the dots will somehow connect in your future. TRIGGERS OF INSPIRATION

You can't make a place for yourself in the sun, if you keep taking refuge under the family tree, go and launch out! People who never do anything more than they get paid for, never get paid for any more than they do, it's simple, you need to do more.

You must be willing to get rid of the life you planned so as to live the life that is waiting for you, do things you're a little not ready to do yet, that's how you grow and have breakthroughs. Life is about right now, in this very moment, not tomorrow, not yesterday but now. One of the most valuable decisions we can make, is to not let our own lives be influenced by what's happening in other people's lives; what happens in someone else's life has nothing to do with what God wants to do in yours, God is no respecter of persons, every time we put our eyes on other people, we take our eyes off God.
